

# Angelic Assistance and Supernatural Partnership in Prayer

---

## EXAMPLE OF ANGELIC ASSISTANCE PAST AND PRESENT!

**Past:** One powerful biblical illustration of **angelic assistance** is found in **Daniel 6:22**, when Daniel was thrown into the lions' den. King Darius had reluctantly sentenced Daniel to death for praying to God, but Daniel remained steadfast in his faith. That night, as he was surrounded by hungry lions, **an angel of the Lord shut the mouths of the lions**, preventing them from harming him.

This moment reveals several key truths about angelic intervention:

- **Protection** – The angel physically prevented harm, demonstrating God's power over nature.
- **Divine response to faith** – Daniel's unwavering trust in God positioned him to receive supernatural assistance.
- **God's sovereignty** – Even in a seemingly hopeless situation, God sent help through His angel.

The next morning, when King Darius rushed to check on Daniel, he found him unharmed. This led the king to **publicly acknowledge God's power**, showing that angelic assistance not only delivers individuals but also **testifies to God's glory**.

**Present:** Imagine a person driving late at night on a quiet road. They are tired, distracted, and suddenly lose control of their vehicle—swerving towards a steep embankment. Just as disaster seems inevitable, they feel an unseen force steadying the car, guiding it back onto the road. Shaken but unharmed, they pull over, heart pounding, wondering how they avoided catastrophe.

Later, they recall that they had prayed earlier that day for protection and guidance, entrusting their journey to God. They realize that what seemed like an inexplicable save was **angelic intervention**, fulfilling the promise of **Psalms 91:11–12**, which says, *"For He shall give His angels charge over you, to keep you in all your ways. In their hands they shall bear you up, lest you dash your foot against a stone."*

This is just one way angels assist us in everyday life—whether in moments of danger, delivering divine messages, or orchestrating circumstances for our protection and provision. Sometimes, their work is unseen, but their presence is undeniable.

## ANGELS AS MINISTERING SPIRITS!

### Angels as Ministering Spirits

Hebrews 1:7, 14 describes angels as **flames of fire** and **ministering spirits** sent to serve those who inherit salvation. This means angels are **actively involved** in the lives of believers, carrying out divine assignments. Their ministry includes:

- **Protection** (Psalm 91:11–12)
- **Deliverance** (Acts 12:7)
- **Guidance** (Matthew 1:20)
- **Strengthening believers** (Luke 22:43)

### Angels Respond to God's Word

Psalm 103:20–21 reveals that angels **heed the voice of God's Word**. This means when believers pray **in alignment with Scripture**, angels are activated. They do not respond to **human emotions or desires** but to **God's will** spoken through faith-filled prayers.

This is why **praying Scripture** is powerful—it creates an atmosphere where angelic assistance is released. Psalm 148:2, 5 further emphasizes that angels are **worshippers**, joining heaven in glorifying God. Worship and prayer **open spiritual portals**, allowing angelic movement.

### Biblical Encounters with Angelic Intervention

The Bible provides numerous examples of angels responding to **prayer and obedience**:

- **Peter's Jailbreak (Acts 12:5-11)** – The church's **constant prayer** led to an angel delivering Peter from prison.
- **Hezekiah & Isaiah's Intercession (2 Chronicles 32:20-21)** – Their prayer resulted in an angel **defeating an entire army**.
- **Jesus' Declaration (Matthew 26:53)** – Jesus affirmed that He could call **twelve legions of angels**, showing heaven's readiness to intervene.

### Angels Ascend & Descend Through Open Portals

John 1:51 speaks of angels **ascending and descending**—this imagery suggests that **worship, obedience, and fervent prayer** create spiritual access points. When believers engage in **deep intercession**, they open pathways for angelic movement, bringing:

- **Healing** (John 5:4)
- **Messages** (Daniel 9:21-23)
- **Deliverance** (Psalm 34:7)
- **Supernatural intervention** (Genesis 19:15-17)

### Final Thoughts

Angels are **not to be worshipped**, but they are **divinely assigned** to assist believers. Their activity is **activated through faith, prayer, and obedience**. Understanding their role helps believers pray **with expectation**, knowing that heaven is ready to respond.

Would you like to explore **practical ways to engage angelic assistance** in prayer? I'd love to refine this further!
